**Subject:** Call to discuss clarification on scope of analyses in the Kalispel redesignation technical report

---

Hi Dave,

We have reached out to potential consultants for preparing the technical report and have some more questions about the actual scope of analysis necessary for our redesignation. We have the chance to get this done relatively quickly, but we were hoping that you would be available for a call on Monday or early Tuesday to help clarify some of the scope questions.

Thanks again for your help --Ken
